

CHAMPAGNE  
JACQUINOT  
& FILS

## BLANC DE BLANCS - BRUT

Made out a single vineyards, called l'Almeida after few years of experiment.

This wine is *very fresh and young* with nice lemony characters. The color is of a pale green gold.

The tiny bubbles are *charming* the palate keeping a long body of acacia honey and white flowers.

The *minerality* and the salty character is paring well with oysters and scampi but also as a summer appetizer and a nice desert.
